Sub: **Direct Action Program w.e.f. 2nd December, 2008**

Respected Sir,

OSOA constituents met on 24th November, 2008 and noted with grave concern on the betrayal saga that has continued since the year 2000. Resolution passed in the meeting is enclosed for your perusal.

It is indeed a matter of great concern that the faith and trust that we had bestowed in you and the Hon'ble minister of Heavy Industries has once again been broken. It is indeed very painful to inform that there has been a breach of trust from the side of the Government. Unfortunately the administrative ministry has failed to keep up the promises made in writing as well as in words.

It is also becoming clear that you would like that we go on direct action program rather in resolving our genuine concerns raised by us and which were agreed to by both the cabinet ministers. This betrayal clearly shows that the government wants to adopt the path of confrontation and hence we are once again informing you that the whole of oil sector shall be proceeding on strike and complete stoppage of work w.e.f. 0600 hours of 2nd December, 2008.

With regards ,

Yours sincerely,

Encl.As above
