Subject: Relief for Bihar flood from ONGC.

Sir,

As we all are aware that State of Bihar is ruling under the impact of a major catastrophe of unprecedented flood. It is declared as a national calamity. The floods have been very devastating and lakhs of people have been permanently affected in this calamity. ONGC as a model PSU has been playing a major role wherever such natural calamities have struck our country.

In this case also we request that ONGC should lead from the front and organize the following :

1. One day salary deduction of all the employees of ONGC and sending the same to Chief Minister's Relief fund.
2. Rs. 50 crore from CSR Budget to Chief Minister's Relief fund.
3. To organize a Team/Committee for sending to Bihar for organizing relief camps for helping flood affected people consisting of Doctors, Security persons, officers/employees who can participate in this cause.

With regards,

Yours sincerely,

(Amit Kumar)
President-CWC
