NEWSLETTER NO. 31

STOP NOT TILL THE GOAL IS ACHIEVED

Dear Friends,

We take this opportunity to thank all of you for continued support to all of us during these times of crisis. Despite, lot of adversities we have continued to fight for the right of the people. As all of you are aware that on behalf of all of you, ASTO has been taking up the issues of common cause through the various informal channels or Hon'ble courts as and when the situation demands. As you all are aware the case regarding Extension of North East Tenure was going on in the Hon'ble Gauhati High Court. The final hearing of the case took place on 28th June, 2011 and Hon'ble court has been pleased to pass the order in our favour. The detailed certified copy of order is available on our website (www.astodelhi.com). This judgement was passed after the Hon'ble judge heard the counsels for Government of India, ONGC and ASTO.

We would like to thanks all our colleagues who came forward in arranging the funds for the just cause. Accordingly, we are returning back the remaining amount of fund on prorata basis to the various coordinators who had collected the money as per the list available with us. All the concerned officers are requested to get in touch with their colleagues who had collected the funds.

Friends, this ASTO has been very dedicated and honest to the cause of the officer's community. We have maintained proper accounts for the funds that have been collected on all your behalf. Hence, let us assure you that similarly we shall be returning the funds collected earlier also in the year 2009 in various units also to the officers who had come forward at that time, once the issue related to ASTO gets settled which we are hopeful and confident that shall happen in the near future.

With best wishes,

LONG LIVE ASTO
